This erratum notes a correction to the originally published article [*Adv. Photon.* **6**(6), 066002 (2024) doi: 10.1117/1.AP.6.6.066002]. One of the grant numbers associated with the National Research Foundation of Korea was incorrectly listed as RS-2024-00408446 in the Acknowledgments section. That number was corrected to RS-2024-00408286 and the article was republished on 31 December 2024.
